Well, you've been on top of the world  
At least that's what I've heard  
I gotta ask you one more time  
I can't sleep when you're around  
And I don't care how sick you sound  
I gotta ask you one more time  
He was a friend of mine  
Couldn't make it been shut down

Everywhere I turn  
All the evidence burn  
Dysfunctional Professional

Now you're really in the dirt  
Yeah you said that you've been hurt  
I gotta ask you one more time  
Do you sleep with one eye open  
You deserve to be this broken  
I gotta ask you one more time  
He was a friend of mine  
Couldn't make you, been shut down

Everywhere I turn  
All the evidence burn  
Dysfunctional Professional  
But everywhere I go  
All my confidence grow  
Dysfunctional Professional

She dragged me down in your dirt  
I was told the world  
But received the hurt  
You're so Professional  
Dysfunctional

Everywhere I turn  
All the evidence burn  
Dysfunctional Professional  
But everywhere I go  
All my confidence grow  
Dysfunctional Professional

Everywhere I turn  
All the evidence burn  
Dysfunctional Professional  
Everywhere I go  
All my confidence grow  
Dysfunctional Professional

Everywhere I turn  
All my confidence grow  
Dysfunctional Professional
