Someone put me on a plane
Goodbye, farewell, adios my friends
I need a holiday
S.a.s. is takin' off again

I wanna have my fun
Where the nights are long
We wanna go away
Where the sun will always shine
We're in heaven 2.9

Or just put me on a train
Goodbye, farewell, adios my friends
Tell her I said 'Hey'
And I might not come home again

I wanna have my fun
Where the nights are long
We wanna go away
Where the sun will always shine
We're in heaven 2.9
A London queen
Tokyo teen
A Frisco fag in the disco scene
A New York doll
And the Berlin boys

Can I ride in your car
Goodbye, farewell, adios my friends
Vacations at the jet set sunset bay
My girls are drivin' me insane

I wanna have my fun
Where the nights are long
We wanna go away
Where the sun will always shine
We're in heaven 2.9

We're in heaven 2.9
Ohoohoh
We're in heaven 2.9
Ohoohoh

We're in heaven 2.9
Ohohoh
