(borg, dregen)

Iâ€™ve been here, been there
Iâ€™ve been every God damn where
Youâ€™re a robber of life
And if you were a woman would you be my wife

Iâ€™m no loser in the end
Donâ€™t tell me that you understand
'cause everything is just a frame
Come on

Iâ€™m no sucker you can bend
Iâ€™ve got a rendezvous in hell
Life for me is just a game
Where everybodyâ€™s crazy!

I know that jesus was a fool
Maybe he was kinda wool
But I donâ€™t know what to do no more
When everybodyâ€™s crazy

Iâ€™ve been here, been there
Iâ€™ve been every motherfuckinâ€™ where
Youâ€™re a robber of life
And if you were a woman you would be my wife, I swear

Tonight you wanna do some
Tonight you wanna be one
One of 'em guys who sold their souls
For the rock nâ€™ roll remote control
You switch your channel and do what youâ€™re told
I canâ€™t lie, I wonâ€™t cry
But maybe iâ€™ll meet him before I die
Too soon itâ€™s too late, man
Am I angel or concrete hate?
But I got horns and I got wings
But I wonâ€™t fly until my angel sings for me
They say fly, they sing
They say die, I say why?
But I wonâ€™t let 'em in the ring
Itâ€™s gonna take some time 'til my angel sings
