She puts her voice mail
In my head
In every girl I see a bed

C'mon be retarded
Don't wanna be bothered
When she spills out her problems for me

So here I am
Say when it's when
Once again

Three A.M.
Say when it's when
Not you again

Women will win men
Climbing charts
I am the joker in your deck of cards

C'mon be retarded
Don't wanna be bothered
When she spills out her problems for me

So here I am
Say when it's when
Once again

It's three A.M.
Say when it's when
Not you again

When I think your nickname suits your reputation
They call you 'Miss' I call you 'Ho'
She blew my fortune and my fame
With every target a different name

C'mon be retarded
I just don't wanna be bothered
When she spills out her problems for me

She spits out her problems

She's plain walkin' trouble

So here I am
Say when it's when
Once again

It's three A.M.
Say when it's when
Not you again

So here I am
Once again

It's three A.M.
Say when it's when
Not you again

Say when
Say if
Say when
