Waah!

Everybody' here
with the face in the crowd
No more lookin' back

Yeah!

Strung out junkies
Computerized monkeys
Waitin' for the place to get packed

Yeah!

I don't need no doctor
Cause no one's got the cure for me
Cause I'm a heartbreaker
And a soulshaker
Since 1973

Star War!

So watcha waitin' for?

So I'm runnin' down the stairs
So I wont get stabbed
But that's alright with me
Me me me
Meanwhile them supernatural freaks
Fingerprints my fee

So put food on the table
Some money if you're able
Cause no one's got the cure for me
Cause I'm a heartbreaker
And a soulshaker
since 1973

Star War!

So watcha waitin' for?

Ah!

Wow!

Food on the table
The money if you're able
Meanwhile back in jack n' coke stable

Cause it's a star war!

Yeah! Star war!
So watcha waitn' for?

Star! oh! war! ah! yeah!
So watcha waitn' for?

So watcha waitn' for?
So watcha waitn' for?
Go go go!

Star star war!
So watcha waitn' for?

Yeah!
Star war!
So watcha waitn' for?
