Iâll be your taxi driver for you, honey
Take you anywhere you want to
Iâll be your taxi driver for you, honey
Take you anywhere you want to
Just call on me
Iâll take you anywhere you want to

Iâm a milkman for you, babe
Iâll milk you anytime you want to
Iâm a milkman for you, babe
Iâll milk you anytime you want to
Just call me up
And you can milk me if you want to

Call me on your telephone
Hey, baby, I wasnât at home
Sometimes when Iâm all alone

Iâll be your taxi driver for you, honey
Take you anywhere you want to
Iâll be your taxi driver for you, honey
Take you anywhere you want to
Just call on me
Iâll take you anywhere you want to

Call me on your telephone
Wait a little, baby, I wasnât at home
Sometimes you reach me, sometimes you donât
Sometimes when Iâm all alone

Call me on your telephone
Oh, you fuckinâ little bitch, I wasnât at home
Sometimes you reach me, sometimes you donât
Sometimes when Iâm all alone

You just call me on your telephone
Wait a little, baby, I wasnât at home
Sometimes you reach me, sometimes you donât
Sometimes when Iâm all alone

Iâll be your taxi driver

Iâll be your taxi driver
Iâll be your taxi driver
Iâll be your taxi driver
Taxi driver
