All my dreams are haunting me
Nothing seems to be for real
Can people change this world around
Can people change my life to come
It's been too many nights of fear
It's been too many days not clear
Can you believe a word they say
Can you control the righteous way

I even out my life
I even try to fight my
- War and peace
- Goin' round and round
- Year by year, am I the only one?!

So you think I'm doin' fine
Stealing things
That are not mine
Be careful what you do wish for
You end up losing even more

I even out my life
I even try to fight my
- War and peace
- Goin' round and round
- Year by year, am I the only one?!
- War and peace
- Goin' round and round
- Year by year, am I the only one?!

Feel bad for you, so sad for you
I'm so done with you, overcome all the
overnight sensations and my patience
creates my ghost, yeah my patience creates my

Many men have travelled far
To try it all over from the start
Who you are is what you get
There is nothing that you can reset

I even out my life
I even try to fight

You boys just can't resist
Resist what girls won't miss
- War and peace
- Goin' round and round
- Year by year, am I the only one?!

Well I fight my
- War and peace
- Goin' round and round
- Year by year, am I the only one?!
