She's got a ticket
And she wanted to go
First class
In the first seat row
Her leather-jacket
And a pocket of cash
This girl is bad
Like fucking trash

Zoe's gotta go
Take her to the show
Zoe is a weirdo

She's so much cooler
Than the rest of her gang
Blue jeans
Bloody whiteshark fangs
She loves her music
And she loves to roll
Commander in chief
Fucking party patrol

Zoe's gotta go
Take her to the show
Zoe is a weirdo

The girl is punk
Without a punk
She put her boyfriend
Back in Danko's trunk
You gotta crank it
Cause she likes it loud
God damn
Make Johnny proud

Zoe's gotta go
Take her to the show
Zoe is a weirdo
