Who are you to tell me  
There's something wrong with my head?  
Who are you to tell me  
That I'm wrong in what I said?  
Who are you to tell me  
That my life is going nowhere?  
Who are you to tell me  
That I'm living without a care?

Well I just want to tell you  
That we're all the same  
By saying I've got a problem  
Is a way out of the game  
I've never changed because  
I've always been this way  
It's you who changed  
Your attitude towards me  
What more can I say?

Who are you to tell me  
To look into a mirror?  
Who are you to tell me  
That I made some fuckin' error?  
Who are you to tell me  
That I can't do no job?  
Who are you to tell me  
It's your own life you've robbed?
