Since you've been gone  
I shut my eyes and I fantasize  
That you're here with me  
Will you ever return?  
I won't be satisfied  
'til you're by my side  
Don't wait any longer

Why don't you come back?  
Please hurry  
Why don't you come back?  
Please hurry

Stay for good this time  
Come back and  
Stay for good this time

When you said good bye  
I was tryin' to hide  
But I felt inside  
'til you passed me by  
You said you'd return

You said you'll be mine  
'til the end of time  
But don't wait any longer

Why don't you come back?  
Please hurry  
Why don't you come back?  
Please hurry

Stay for good this time  
Come back and  
Stay for good this time  
Come back and  
Stay for good this time  
Come back and  
Stay for good this time

Why don't you come back?

Please hurry  
Why don't you come back?  
Please hurry  
Why don't you come back?  
Please hurry  
Why don't you come back?  
Please hurry

Stay for good this time  
Come back and  
Stay for good this time  
Come back and  
Stay for good this time  
Come back and  
Stay for good this time  
Come back and  
Stay for good this time  
Come back and  
Stay for good this time
