It's a frightening lonely time  
No lonely heart to find  
Where I scare myself in vain again

So I tried and I tried and I tried  
But I'm wasting all my time  
I know that I have failed  
Sometimes

There were times when all was fine  
But you can't be here tonight  
Broken pieces of my heart  
Now they're calling and calling

This is the cure  
And I won't get lonely  
This is the cure  
And I won't get lonely

When you left my world to find  
Some better lovely times  
You put me in this pain again

Then I started to realize  
Those funny ways of life  
Where I wonder what mankind can do

There were times when all was fine  
But you can't be here tonight  
Broken pieces of my heart  
Now they're calling and calling

This is the cure  
And I won't get lonely  
This is the cure  
And I won't get lonely  
This is the cure  
And I won't get lonely  
This is the cure  
And I won't get lonely

This is the cure

This is the cure  
And I won't get lonely  
This is the cure  
And I won't get lonely  
This is the cure  
And I won't get lonely  
This is the cure  
And I won't get lonely  
This is the cure  
And I won't get lonely  
This is the cure  
And I won't get lonely  
This is the cure  
And I won't get lonely
