When you've lost it all and you  
Can see that there's no turning back  
All alone curse this life try you might  
But you can never have it back

Waiting in line to cross  
The five rivers to hell  
Caught in the glare of Charon  
His lifeless finger points to me

You may not pass  
Unless you pay the obol  
Wander through life  
The underworld one hundred years

Sorrow and dismay  
River of woe  
Grief and regret  
Lamentation

Wander through life without purpose  
Like I wander through the underworld

I did not pay the toll  
And posses not a golden bough

Alone with the sorrow  
Consumed of the flame  
Will my journey ever come to an end?  
The five rivers behind me

Burns but does not consume  
River of fire  
Forget your past life  
Oblivion

Acheron, Cocytus, Phlegethon, Lethe, Styx

The river of hate  
The river Styx  
The river of hate  
The river Styx

Now at the gates of hell  
You alone will find what lies ahead
