We're marching to the top, to the top, to the top
Yes, we're marching to the top of Dragon Mountain
Up, up, up, up there is no place to hide
'Cause a dragon lurks inside

At the top of Dragon Mountain
At the top of Dragon Mountain

Do you think that the dragon is scary?
Yes, I do
Do you think that the dragon is hairy?
No, do you?

Do you think that the dragon plays games?
I hope so
Do you think that he shoots out flames?
Please say no

We're marching to the top, to the top, to the top
Yes, we're marching to the top of Dragon Mountain
Up, up, up, up there is no place to hide
'Cause a dragon lurks inside

At the top of Dragon Mountain
At the top of Dragon Mountain

Do you think that the dragon will greet us?
That be neat
Or perhaps he will try to eat us
You say eat?

Perhaps we won't fit in his belly
Then I cheer
Don't dragons like goblins and jelly
I'm outta here

We're marching to the top, to the top, to the top
Yes, we're marching to the top of Dragon Mountain
Up, up, up, up there is no place to hide
'Cause a dragon lurks inside

At the top of Dragon Mountain

At the top of Dragon Mountain
At the top of Dragon Mountain

At the top of Dragon Mountain
At the top of Dragon Mountain
At the top of Dragon Mountain
