"I Feel Good"

I used to feel so dark inside
So evil, bad and gloomy
But now the sun is coming out
And joy is rushing through me

I feel good, he feels good
Oh so good, oh so good
I used to be a bad boy but now I am glad to be good
Oh so good

I used to be a bad boy
Always running from the cops, so bad
But now I am a good boy
I hope it never stops

So much goodness in my heart
I don't know where to start
I wanna clap my hands, jump for joy
Run around and play like a human boy
I feel a happy and nice, groovy and funny

I wanna help an old lady across the street
I wanna volunteer to pick up litter
Help people out 'cause I'm not bitter
I wanna make new friends, such a quilt
Teach at a school that I have built

I feel good, he feels good
Oh so good, oh so good
I used to be a bad boy but now I am glad to be good
Oh, so good

He feels good, he feels good
Oh so good, oh so good
I used to be a bad boy but now I am glad to be good
Oh so good
