### Verse 1

We're guards of her lady the Empress  
The powerfull Empress of France  
We love our career  
Soaking up Musketeers  
All in the name of The Empress  
We both do our jobs with persision  
And blind dedication to whose  
What we like to say best  
Is your under arrest  
All in the name of The Empress

### Chorus

In the name of The Empress, The Empress, The  
Empress  
What else can be left to discuss  
In the name of The Empress, The Empress, The  
Empress  
It gives life some purpose and meaning for us

### Verse 2

We say All Red  
That means Halt  
We say Halt  
That means Stop  
We say stop and we know that that's clear  
You can run (no we can't)  
You can hide (what, in here)  
But we'll get you my dear Musketeers

### Chorus

In the name of The Empress, The Empress, The  
Empress  
It's like being police for a queen  
In the name of The Empress, The Empress, The  
Empress  
It gives life a reason for just being mean

Outro

All in the name of The Empress (x2)
