We've landed on Mars
On the red and rocky ground
Now it's time to get going
And look for that sound

But it's an alien world
Who knows what to expect
So before you explore
Make sure your gear is checked

We're ready for anything
Anything, anything

We brought lots
And lots of gear
Let's go down the list
And make sure it's all here

Maps and shovels, check
Cables and ropes, check
Flashlight and sneakers, check
Bubble bath soap, check

Sunblock and towels, check
Grappling hooks, check
I even brought crayons
And coloring books

We're ready for anything
Anything, anything

There's so much equipment
Packed on Rover
But it's pack real well
So it won't tip over

We're ready for anything
Anything, anything

We're ready for anything
Anything, anything

We brought a whole lot
But why take a chance
And while we're exploring
We might sing and dance

We're ready for anything
Anything, anything
