Uniqua, Pablo and Tyrone: (sung) Secret Agent limbo team

Is gonna beat the laser beam.  
We will line up single file  
And show off our limbo style.

Pablo: It's Uniqua's turn to go  
She will limbo good and low.  
Will she make it? Yes, she will.  
She's got laser limbo skill!

Uniqua: (spoken) Limbo lower now.  
Limbo lower now.  
How low can you go?

Woo-hoo!

Pablo: Excellent limboing, Agent Uniqua!

Tyrone: Yeah!

Uniqua: Thanks!  
C'mon, Tyrone. You know what to do!

Tyrone: Here I come.

Uniqua and Pablo: (sung) Now Tyrone is going to try.  
He's a limbo kind of guy.  
Keep those antlers by the floor  
As you limbo through the door.

Bend down low and keep it loose,  
Secret Agent limbo moose.  
He will beat the laser light.  
He can do the limbo right.

Tyrone: (spoken) Limbo lower now.  
Limbo lower now.  
How low can you go?

All right!

Uniqua: Excellent limboing, Agent Tyrone!

Tyrone: It was tricky.

Pablo: Now it's my turn. Here I come.

Uniqua and Tyrone: (sung) Agent Pablo's going now  
Come on Pablo show us how.  
Bend your knees, extend your arms,  
And don't set off those alarms.

Limbo low and limbo fast,  
Save the limbo best for last.  
Now we all have passed the test.  
We're the laser limbo best.

Pablo: (spoken) Limbo lower now.  
Limbo lower now.  
How low can you go?

Uniqua and Tyrone: All right! Yeah! (whistle)
