Yes sir! Rain and JYP, yeah
Yo Rain!
You gotta stop believing in this love thing
It's gonna hurt you, you know what I'm saying?

I know what you're trying to do
Wanna make me just like you
No love just playing around
You wanna see me living my life like you

Nado neocheoreom doige nae kaseumdo
shikeobeorige
Jinshil tauin eoptago nado keurohke mitgo maeumeui
muneul jamkeuge

Oh no I won't, I believe there's still true love
Chatgi eoryeongun keon aljiman naneun ajik jinshireul
kkumkkugo isseo
Eonjengan kkok nabicheoreom nara ulgeorara
Eonje iljin mollado nan kidarilkeoya

*No matter what you say to me I still believe in love
Tadeul nal biuseodeo pogihaji anha
