Ooooh ooh ooh  
I'm tired of living life  
Black and white  
There's so much in between  
Like a rainbow in the sky  
Waiting to be seen  
When I open my eyes  
To find inspiration  
I search for the best I can see  
If I settle for less  
I won't be the best I can be

When I dream  
I dream in color  
So much  
I want to discover  
Somewhere I know there's a rainbow  
Waiting for me

Life is short  
I've been told  
Time is a very precious thing  
I want to go where  
I've never been  
And see what's never been seen  
When I wake up each morning  
I won't take for granted  
There will always be another new day  
Gotta live for each moment

Never let time slip away

Ohhhh  
When I dream  
I dream in color  
There is so much  
I want to discover  
Somewhere I know there's a rainbow  
Waiting for me  
Yea

When my eyes are closed

I see the way to go  
I feel so awake and alive  
Ohhh oh  
When I'm fast asleep  
I still feel the beat  
Of the heart that's ready to fly  
Ready to fly

When I dream  
I dream in color  
There is so much  
I've yet to discover  
I'm just beginning to set myself free  
(set myself free)  
It's clear to me now  
What I believe  
Somewhere I know there's a rainbow  
Waiting for me  
Yeah  
Ohhh
