I used to think that I could not go on  
That life was nothing but an awful song  
But now I know the meaning of true love  
By leaning on the everlasting arms

If I can see it  
Than I can do it  
If I just believe it  
There's nothing to it

I believe I can fly  
I believe I can touch the sky  
I think about it every night and day  
Spread my wings and fly away  
I believe I can soar  
I see me runnin' through that open door

I believe I can fly [3x]  
Ohh yeah

See I was on the verge of breaking down  
Sometimes the silence can seem so loud  
There are miracles in life I must achieve  
But first it's got to start inside of me ohh

If I can see it  
Than I can do it  
If I just believe it  
There's nothing to it

I believe I can fly  
I believe I can touch the sky  
I think about it every night and day

Spread my wings and fly away  
I believe I can soar  
I see me runnin' through that open door

I believe I can fly [3x]

Cause I believe in me yeah oh

If I can see it  
Than I can do it  
If I just believe it  
There's nothing to it yea

I believe I can fly (I believe I can fly)  
I believe I can touch the sky (touch the sky)  
I think about it every night and day  
(Spread my wings)  
Spread my wings and fly away  
I believe that I can soar  
(I see me runnin')  
I see me runnin' through that open door  
(through, through)  
I believe i can fly yeah

I believe I can fly (I can fly)  
God said I can do it (I can fly)  
If I just spread my wings (I can fly)  
Spread my wings  
Spread my wings  
And I can fly  
Ohh fly  
I can fly (I can fly)
