You've been sayin' that I'm drivin' you crazy
And I haven't been around for you lately
But I've had a few things on my mind

When I'm with you I am filled with emotion
Can't you see that I'm giving you devotion?
And a love like this is hard to find

I know I've been walkin' around in a daze
You gotta believe me when I say

Wherever you go, whatever you do
It's pure and simple, I'll be there for you
Whatever it takes, I swear it's true
It's pure and simple, I'll be there for you

I've been there through the stormiest weather
I was trying to make things a bit better
And I know I'm gonna try to get through to you

You can read me in a way like no other
But the situation's taking you under
So you need to tell me whatcha you gonna do

I know I've been walkin' around in a daze
You gotta believe me when I say

Wherever you go, whatever you do
It's pure and simple, I'll be there for you
Whatever it takes, I swear it's true
It's pure and simple, I'll be there for you

I'll always be there for you, baby
You know that I'll always be around

I'll always be there for you, trust me
You know that I will never let you down
'Cause you're the one for me
It's pure and simple, I'll be there for you

Wherever you go, whatever you do
It's pure and simple, I'll be there for you

Whatever it takes, I swear it's true
It's pure and simple, I'll be there for you

Wherever you go, whatever you do
It's pure and simple, I'll be there for you
Whatever it takes, I swear it's true
It's pure and simple, I'll be there for you
