Well I know you've got it all and you're well aware  
That you've got it together  
I wanna take your hand and we'll get away  
We could leave here forever

We'll catch the wave, till another day.  
So if you bring the love  
I'll bring the sugar  
We'll meet today, we'll throw it all away  
But if you bring the love  
I'll bring the sugar

Well my hearts a beating mess when you sing along  
To melodies you hardly know  
I wanna make it up as we go along  
But darling do you wanna go

To anywhere but here we can run away  
Run away and be alone  
How bout we make a move to the other side  
The side you always wanted to show

Let yourself go - Let yourself go  
Let yourself go - Let yourself go

We'll catch the wave, till another day.  
So if you bring the love  
I'll bring the sugar  
We'll meet today, we'll throw it all away

But if you bring the love  
I'll bring the sugar

(Guitar Solo) I'll bring the sugar

Bring your love, I'll take you higher  
Gotta let it in - Gotta let it in  
Bring your love, I'll take you higher  
Gotta let it in - Gotta let it in  
Bring your love, I'll take you higher  
Gotta let it in - Gotta let it in

We'll catch the wave, till another day.  
So if you bring the love  
I'll bring the sugar  
We'll meet today, we'll throw it all away  
But if you bring the love  
I'll bring the sugar

We'll catch the wave, till another day.  
So if you bring the love  
I'll bring the sugar  
Throw it all away, throw it all away  
But if you bring the love  
I'll bring the sugar  
I'll bring the sugar

Lyrics interpreted by - Kenneth Howerton - June 2008
