Any day now..its gonna' start-my real life  
And anyday now..everything I'd gonna' be alright..  
Anyday, now..lifes gonna' get real good.  
And somehow..life'll be like i said it would.

Anyday, now-mark my word!  
Anyday, now-I will be heard!  
Anyday, now-my ship  
Will finally come in...

Anyday, now..I'm gonna' jump right in.  
And anyday ,now my destiny will begin.  
And until then I'll just be here  
Wasting my time...  
But, don't you worry,  
I'll be just fine...

Anyday, now-mark my word!  
Anyday, now-I will be heard!  
Anyday, now-my ship  
Will finally come in...
