My mamma followed her lover to India
Teh mongoose and the roti walla on your front porch
Tear me from a growling tigers mouth
From then on I'm in love
Don't ask me how i am today
Don't wanna talk about it
Don't ask what the matter is
Todays the big day
Daddy's getting married
Mama wipe yer tears away
My daddy'd getting married
I don't know what to say
My daddy's getting married
Today's the big day
My daddy's getting married
Mama wipe yer tears away
Nice mommy adn daddy tell me to drink my milk
Don't draw moustaches on my sisters barbies
Sit on the potty till you go little girl
I learned to smoke cigarettes in Kentucky, y'all
Don't ask me how i am today
Don't wanna talk about it
Don't ask what the matter is
Todays the big day
Daddy's getting married
Mama wipe yer tears away
My daddy'd getting married
I don't know what to say
My daddy's getting married
Today's the big day
My daddy's getting married
Mama wipe yer tears away
Never really felt weird or anything
Things like this happen even to me
Wedding cake rotting in the grave yard
Drowning dreams like puppies in the sea
Todays the big day
Daddy's getting married
Mama wipe yer tears away
My daddy'd getting married
Today's the big day

My daddy's getting married
Mama wipe yer tears away
