Boy I want to get you alone,
I wanna cover you in chocolate and turn of the phone.
Damn I think I'm losing my mind,
What's been coming over me?

I wanna be like Pamela Lee,
So you go get your camera and I'll say cheese.
Baby you'll be rocking my world,
At the funeral of a good girl.

Well Maybe I'm going crazy,
I'm the kid, and you be the candy store,
Take me down Baby, and -

Do it to me now,
Do it to me now!
I can't believe I just said it out loud,
You make me wanna scream,
And throw you to the ground,
Do it, do it to me now!

You make me be a bad little girl,
I don't want your diamonds,
Just a necklace of pearls,
So come on put your lips on mine.

Maybe I'm going crazy,
You're the kid and I feel like the candy store,
Take me down Baby, and -

Do it to me now,
Do it to me now!
I can't believe I just said it out loud,
You make me wanna scream,
And throw you to the ground,
Do it, do it to me now!

Baby, I've never been so easy,
But you're in luck boy,
"cause something about you,
Makes me wanna...

Do it to me now,
Do it to me now!
I can't believe I just said it out loud,
You make me wanna scream,
And throw you to the ground,
Do it, do it to me now!

Yeah! Do it to me now, (Bye bye, Bye bye good girl)
Do it to me now!(Bye bye, Bye bye good girl)
I can't believe I just said it out loud, (Bye bye, bye bye
good girl)
You make me wanna scream,
And throw you to the ground,(Bye bye, bye bye good
girl)
Do it, do it to me now! (Bye bye)
