Have you heard the new, today?  
I left you in the dust and that's where ya stay.  
Ya never matterd anyway.  
You don't really know how to play the game.  
If i she'd my skin, i wont feel...  
(if i she'd my skin)  
If i close my eyes, i wont see you...  
(if i close my eyes)  
If i cover my ears then i wont hear you...  
(if i close my ears)  
If i shut my mouth i wont tell the truth...  
You have a venemouse tongue.  
You "deserve" an irom lung...  
You spend your time obsessing-  
And your hate will never let you be.  
If i she'd my skin, i wont feel...  
(if i she'd my skin)  
If i close my eyes, i wont see you...  
(if i close my eyes)  
If i cover my ears then i wont hear you...  
(if i close my ears)  
If i shut my mouth i wont tell  
The truth...about you.
