Suck my mouth.
Suck my pain away.
Helplessness,
I am hard to stain.
Potentially inappropriate...

I am naked,
Before you.
Look at me.
You came for me.
I pray to you.
You are in me...

You are my religion.
You are my religion.
I'm loving you.
You're loving me.
You are my religion.
You are my religion.
I'm touching you.
You're touching me...

Intoxicated with your breath.
My eyes close,
I am a mess.
Starving and cold and I need your love...

You keep me real.
You lift me up.
Prayer soft,
I am in love.
Devotee of your immortal love.

Brutal truth.
It is profound.
Can you hear the sound,
Of my breath?

You are my religion.
You are my religion.
I'm loving you.

You're loving me.
You are my religion.
You are my religion.
I'm touching you.
You're touching me.
