Your car stereo is state of the art,
My ghetto-blasters are fallin' apart.
But, Hey man! You all show,
You only listen to techno (echo)
Scream!

Your ride goes from 0-60,
Well, my ride goes, yeah, Musta missed me
Cause I'm still standin' here watching you drive by!

Hey! Hey!

Chorus:
I am sick and you are healthy!
You are rich and I am filthy!
Con-grat-u-la-tions on all your Success!

I am poor and I am happy,
Your bling-bling will never trap me
Con-grat-u-la-tions on all you Excess!

Your new suit is made of silk,
Too bad you still look like Lawrence Wilk.
Well, your girlfriend just drove by and she gave me the
eye (echo)

Your watch, yeah, it's a Rolex!
Well, My watch, yeah, it's a Timex!
But say,
Hey!
T's okay
Cause I'm the one who's on time!

Chorus

Money, money, money, hey!
Money, money, money (X4)

Money don't mean much to me! (x3)
Money don't mean much [????]

It'll be fine, just you and me,
I got good news: I won the lottery!!
But Hey! I'll save you seat at the country club (echo)

Chorus (repeat and get quieter
