Can you remember Chestnut Street, and algae nipping  
at our feet?

I was just a little girl, and you were my whole world.

What I'd give to be lying in your arms, what I'd give to  
be your girl again

What I'd give to be lying in your arms, what I'd give to  
be your girl again.

Did you know that you were my first love?

Did you know it's you I still dream of?

I've grown up a lot since then, my nostalgic heart will  
never mend.

What I'd give to be lying in your arms, what I'd give to  
be your girl again.

What I'd give to be lying in your arms, what I'd give to  
be your girl again.

What I'd give to be your girl again....
