They were drunk and they were angry
They were big as they could be
They were hell bent and determined
To kick the Yankee out of me
Insulted me they called me names
They would not let me pass
Oh those Redneck boys
They left me no choice
I had to kick some ass

Truth is she never noticed me
Guess again

Oh I must've been dreamin
But it's so much sweeter than reality
Well you know I'm not afraid of pain
But did you know that I rope fire and rain
Workin on my seventh book oh yeah
I'm a gourmet cook
I speak fluent French you know
I got a big black belt in Tae Kwan Do
And I'm a PHD of course
And I'm hung like a horse
Guess again
Must've been dreamin
Sometimes all these dreams are like a curse
Guess again
Oh I must've been dreamin
Guess youc
