Don't let the sun catch you crying  
The night's the time for all your tears  
Your heart may be broken tonight  
But tomorrow in the morning light  
Don't let the sun catch you crying

The nighttime shadows disappear  
And with that go all your tears, baby  
For the mornings will bring joy  
For every girl and boy

Don't let the sun catch you crying

You know that crying's not a bad thing  
But stop your crying when the birds sing

Just don't forget that love's just a game  
And it can always come again  
So don't let the sun catch you crying  
Don't let the sun catch you crying, baby
