i feel this shit, its goin down

uh, uh, yo yo

verse 1: (Big B

yo fucking listen

i got the ammunition

to keep u bitching

take u to another deminsion

my rhymes take u behind

cross this line

i take your mothafucking spine

take your friend

now his lifes to an end

where to begin i'm a put you in a pin

i arrive with my 45

i gotta survive

now you going take 5

take a nap

better watch your fuckin back

cause i stay strapped ready to attack

i'm the mac

chorus: (Big B)

i'm Big B and I'm ready

so you better stand steady

i take my gun and pop

make sure that you fools drop

verse 2 (Big B)

now open wide and realize

keep your hands high

i'll make you cry or else

i'll make you die

stand back

get my gat blow your back

how to react

when you aint got no ass

in the grass 6 feet deep

tears on your cheek

i sweep the weak in defeat

(dang)

you can't beat me

mothafucka try

i come in and make

you mothafuckas cry

watch me slide

with my fucking glock

knock off you block

you end up in shock  
clear the deck when i wreck  
what you expect  
mothafucka coming faster than a fucking jet  
verse 3 (ESP)  
straight up  
i don't give a fuck  
i done came out the ghetto  
to get me a buck  
you simply be retro  
but you know i aint gonna let go  
till i put my fucking demo  
up in my 2 black limos  
them hoes the ones  
that i had to make a siut of eskimo  
cause the weathers cold  
i had to get a hold of the fucking  
hatas crush heads and chest plate 'em  
aint nothing to say to them  
i just ate 8 of them  
all these men see my claws  
it brings out my laws  
clunk out jaws  
take the brains  
if you end up to crawl

i made you raw

fuck it i made you all

you assume fall

i'm the wizard

eat you like a lizard

hate you taking pictures

send them to my sisters
