[Riley]Heheh  
[Kane]because she bought me this here brand new  
diamond link that you see me with on  
[Riley]Mmm  
[Kane]Smooth, you knowhat!msayin? You know why?  
[Riley]Why Kane?  
[Kane]Cause I get the job done

Chorus: repeat 2X

"I work" (3X) "I work.. baby!"

[Big Daddy Kane]  
The question at hand, is how do I love thee?  
I count the ways but girls don't shove me  
One by one you can come and caress me  
Undress and molest me but you can't possess me  
Because I love a young lady that's beautiful  
but one that's smart for me, is more suitable  
In other words, to make it simple and plain  
You gotta have a brain in order to be Ms. Kane  
But in the case of not becomin my lady  
I take em eight to eighty, dumb crippled and crazy  
Crisp and clean with no caffeine  
and a pair of spandex or either tight jeans  
Couldn't believe the ones with the Chinese cuts  
but I'll take 'em with the weave hangin down to they  
butts  
And if you step up in a large sum  
Like Martin Luther King, I Shall Overcome  
I get the job done

Chorus (+ Kane says "I get the job done!" every two  
lines)

[Big Daddy Kane]  
Some of you ladies make moves too quick

And settle down, without havin a large pick  
Rushed into becomin some Ku Klux wife  
and no longer do you enjoy, the married life  
Well, I let you know this is a brand new year  
so never fear, the Big Daddy is here  
To do things in places your husband wouldn't  
And do certain things he probably just couldn't  
Let me sneak into your life, like a thief in the night

Lick your body all over and squeeze you real tight  
Nibble all over your ear and give your back a massage  
You'll say, "Oooh I like it," just like DeBarge (how large)  
Smooth and mild I'll make you smile, honey child  
then hit the lights and get buckwild  
And when I turn her back on, you'll have to say  
like Calgon, please take me away  
So when your main course is doin nothin for ya  
Just look at me as a tasty side order  
that came into your life and brought a thrill  
Cause any husband won't, I'm a neighbor who will, get  
the job done..

Chorus (+ Kane says "I get the job done!" every two  
lines)

[Kane]T.R., take it to the bridge, uhh!

[Big Daddy Kane]

Here's a perfect description of me  
Six foot one, and dark and lovely  
And if they're sayin black is beautiful, it's true not  
phony  
I'm Brown-er than Bobby so won't you be my  
+Tenderoni+  
And get a whiff of this nymphomaniac  
An up-to-date mack that's ready to attack  
and prove that I'm a pro and far from a rookie  
Ain't no hair on my chest, but I'm one tough cookie  
Whoever said you had to be one-hundred percent  
masculine in order to be in?  
I'd rather be more subtle and smooth and SOOTH  
Girl, you won't disapprove  
And I promise that you'll never forget  
HMMMMMMMMMMMM, now what's a title to fit me?  
A champ like Tyson, a Captain like Kirk, no  
Employee of the Month, cause yo, I do work  
The K-A-N-E is on the J-O-B  
An expert, cause I get it D-O-N-E  
So lights, camera, action - all hail the one!  
That gets the job done

Chorus (+ Kane says "I get the job done!" every two lines)

Chorus \* repeat to the end \*
