Since she's gone, she's gone and left me cryin'
I'm a sucker for this pain
She's runnin' all over town with her cheatin' and her
lyin'
Now I'm sitting here with nothing but pain
I gave her love she never had before

So here I stand with my heart in my hands
And no one to call my own
And then she said she's a queen, she's an angel
And I'd better get down and kneel before her throne
I gave her love she never had before
I don't want her hanging round here no more

(crying, crying)
I wish I'd never met you at all...

Here I stand with my heart in my hands
And I've still got no one to call my own
And then she said she's a queen, she's an angel
And I'd better get down and kneel before her throne
I gave you love you never had before
I don't want you hanging round here no more

(crying, crying)
I wish I'd never met you at all...
