Let's get busy  
Daddy Kane  
You know B.W. I've heard it said  
That a woman is a man's greatest gift

Sure you're right  
And success ain't nothin' but a dream  
Unless you have someone to share it with

Mmm, so true, so true  
I've always felt that it's great to achieve in life  
Not having someone other than yourself  
To share it with, it is, uhh

Sho', you're right  
Quite sad  
In my case, I may have found someone  
(Mmm)  
I want, all, of that someone

Yeah, I know what you mean  
Well, I'll tell you my friend  
Just communicate with her  
And always say what you mean  
And mean what you say  
Because, it's her that you want, all of me

Come here, baby  
Come bring all of you to me  
When I say I want all of you

I mean I want all of you  
From your head to your feet  
(Mmm)  
I wanna taste everything  
From your lipstick to your toenail polish

C'mere Kane brother  
I want you, I want you  
I want to hold you, I want to massage you  
I want to comfort you, I want to sooth you  
(Mm)

You know the way you're standin' still there  
I just wanna lay on the floor  
And make love to your shadow  
(A-heh)  
Sounds silly don't it?  
Not really

But for real, let me come on over there  
Run my fingers through your hair  
Hold your hair and undo that brassiere  
My dear

Daddy Kane  
Because tonight, girl  
All of me wants all of you  
Ohh
