A victim of collision on the open sea
Nobody ever said life was free
Sink swim go down with the ship
Use your freedom of choice
I'll say it again in the land of the free
Use your freedom of choice
Freedom of choice
In ancient Rome there was a poem
About a dog who found two bones
He picked the one he licked the other
He went in circles he dropped dead
Freedom of choice is what you want
Freedom from choice
Then if you got it you don't want it
Seems to be the rule of thumb
Don't be tricked by what you see
You got two ways to go
I'll say it again in the land of the free
Use your freedom of choice
Freedom of choice
Freedom from choice is what you want
Freedom of choice
In ancient Rome there was a poem
About a dog who found two bones
He picked the one he licked the other
He went in circles he dropped dead
Freedom of choice is what you want
Freedom from choice is what you got
Freedom of choice is what you want
Freedom from choice
