[Big Ed:]

I'm in your face now nigga, what you wanna do

And ain't a chance on you nigga, motherfuck your crew  
Them niggaz ain't gon want no part, to what I'm bout to

It took a minute to find you, but now I got you I caught  
you  
You's the niggaz I been looking for, infrared dot you  
Send this bitch, to the doctor  
If I thought you had a ounce of heart, bitch I'd pop you  
Nigga, you been barking up the wrong tree  
Somebody should of told you, bout fucking with me  
A-S-S-A-S-S-I-N  
Let em know the fire, your next of kin  
Now this nigga, wanna play shy and shit  
Won't even look a nigga, eye to eye and shit  
So I put him in the blender, fixed that bitch a drank  
Got a jaws washer, to give him time to fucking think

[Hook x2]

[Big Ed:]

I got another nigga in the club, macking a bitch  
This nigga been hating, cause his hoe sucked my dick  
This nigga drove a Benz, and his pop's was rich  
Square ass nigga always driving, through the hood  
and shit  
Called my voicemail huh, and said it was on  
I guess my big dick, broke up his happy home  
But uh, don't hat the player hate the game nigga  
As fine as she is, you would of done the same nigga  
He soft, he played like a kitten  
I laughed to myself, and said oh no he didn't

So I tapped him on his shoulder, said what's happ'nin  
He said what's up my nigga, I said no bitch what's  
happening  
He took a step back, and said dog it ain't like that  
He jumped I jumped, then I layed him on his back  
If you yap we scrap, ain't no escaping that  
Ha, Big Ed be putting it down like that

[Hook x3]
