Calling for the watchman
But you hid the key
In sleeping rooms and summers tombs
Forgotten by the sea
Chasing shades of laughter
The dark lands at her side
A lace caress, an ashes dress
Her sanctuary denied

Dressed in drowning silver
Voices ask the time
Across the waves and mirror's gaze
Reasons lost in rhyme
Dark as lovers calling under April skies
Such empty days to pass away the time

Shadows in the mirror
Waterfalls of years
Valentines and lovers cries
Drowning in your tears
Something long forgotten

What she never said
To wear a face where ghosts remain
Closer to the edge

Dressed in drowning silver
Voices ask the time
Across the waves and mirror's gaze
Reasons lost in rhyme
Dark as lovers calling under April skies
Such empty days to pass away the time

Dressed in drowning silver
Voices ask the time
Across the waves and mirror's gaze
Reasons lost in rhyme
Dark as lovers calling under April skies
Such empty days to pass away the time

Lost in love
