You've been tracking me down for a long long long

but I'm setting you free I'm setting you free

You're trying to beat me trying to get get get me in bed
Go on and get me out of your head
Your giving me a lifetime garanties
but I'm setting you free I'm setting you free

I don't need another lover
I don't need your company
There ain't no one above us
there ain't no body else
nobody else nobody else nobody else

You're messin' around with every every peace of my
heart
You're making it stop and you're making it start again
Your giving me a lifetime garanties
but I'm setting you free I'm setting you free

I don't need another lover

There ain't no one above us

nobody else nobody else nobody

Go on now get out of my life I can't stand the heat no

more
Go on baby get out of my life I can't stand the heat no
more

Your giving me a lifetime garanties
but I'm setting you free

I don't need another lover
I don't need your company
There ain't no one above us
there ain't nobody else
another lover I don't your company

There ain't no one above us
there ain't no body else
nobody else nobody else

Come on baby get out of my life.... get out...
