I wanna be an ordinary man
I wanna live my life as quit as I can
Don't want no crazy woman to rule my world
I want a sensible and normal girl

Whenever I think I got my life in order
I meet a borderline girl who just crossed the border
But I can't see there's anything wrong with her
But she's a nutcase baby she's a crazy girl

Gonna run run run but I don't know where
Gonna run run run but I'll see you there
Gonna run run run I am never gonna get away
Gonna run run run baby where can I go
Gonna run run run well I just don't know
Gonna run run run I am never gonna get away

Don't wanna be no guitar man
Don't wanna be no singer in a rocking band
Don't wanna drink no more spirits and wine
And don't want no shrink to read between my lines

There's gotta be a way out of here
There's gotta be a way to stop the ringing in my ears
There's a real thin line between me and apes
There's a real thin line I'm gonna try to escape

Gonna run run run...

I just wanna be an ordinary man
I wanna live my life as quit as I can
Don't want no crazy woman to rule my world
I want a sensible and normal girl

Every time I think I'm back on my feet
She's a driveway that don't go all the way to the street
I gotta get out, gotta get out of here
Gotta get out cause I don't want you near

Gonna run run run...

Gonna run run run...
