(She'll come back x2)

She's looking out the window, in a moving motor train  
She's finally free now, nothing to lose and everything  
to gain  
She's gotta start all over again, she didn't really swim  
in love  
But it's a history repeating it self, she's only out to take  
a walk

She'll come running through the rain  
She'll forgive and forget the pain

She'll come back like a yo-yo  
She defies all gravity  
She'll come back like a bird - flying half around the  
world  
She'll come back like the summer, like the winter,  
spring and fall  
She'll come back, she'll come running through the rain  
She'll forgive and forget the pain

(She'll come back)

Both out of broken homes, with no energy left for kids  
No homemakers did their job, only school was left to  
quit  
She's gonna start all over again, she didn't really swim  
in love  
But it's a history repeating it self, she's only out to take  
walk

She'll come running through the rain  
She'll forgive and forget the pain

She'll come back like a yo-yo  
She defies all gravity  
She'll come back like a bird - flying half around the  
world  
She'll come back like the summer, like the winter,  
spring and fall

She'll come back, she'll come running through the rain  
She'll forgive and forget the pain

She'll come back  
She'll come back  
(She'll come back)  
She'll come running through the rain  
(She'll come back)  
Running, running, running, running back  
(She'll come back)  
She'll come running through the rain  
She'll forgive and forget the pain

She'll come back like a yo-yo  
She defies all gravity  
She'll come back like a bird - flying half around the  
world  
She'll come back like the summer, like the winter,  
spring and fall  
She'll come back, she'll come running through the rain  
She'll forgive and forget the pain  
She'll come back  
(She'll come back x4)
