Get your money up let your hair down  
Put your head up and let your cares down  
Live life it feel good don't it  
Enjoy life it feel good don't it  
Get your money up let your hair down  
Put your head up and let your cares down  
Live life it feel good don't it  
Enjoy life I look good don't it  
I feel good  
I'm saying bye to you haters watch my stride watch me  
get to the paper  
I feel good  
Live life it feel good don't it  
Enjoy life I look good don't it  
I feel good  
I'm saying bye to you haters watch my stride watch me  
get to the paper  
I feel good  
YEAH  
I feel good  
I feel good baby

Gen I think trying to get me like they got big  
Because I bubbled out the gutter and I got big  
I do everything b I G I wish I had a couple wings so I can  
stay fly  
Fly guy with the fly girl to the ny  
Deuces to them haters tell them bye bye  
No I'm mi a I switch it like ai  
Please mama may I tip them like ti  
No lie I can survive through deep pressure  
Trials only make me fresher walking on coals  
Only make me step better perfecting that stride in  
pursuit to the paper I'm  
Greater

Them 24's excapating while big gen escalading  
Head in the clouds staying fly while I'm stacking paper  
I'm living good yawl I'm still hood dog  
I'm getting money and I swear it feels good yawl  
5 star daycares 5 star hotels big gen been bread  
stacking whole family

Living well  
I'm on mission yawl I want them millions dog  
Stacks to the ceiling now it's time to flip'em yawl  
Who you know grind hard like your boy  
I made something from nothing ballin hard in them  
toys  
Keep God first ballin hard on them boys  
Shake some haters while I upgrade them toys swagger
