You come around flaunting your views
Beating on those smaller than you
What do you have to fucking prove
Attacking people, there's no excuse
Go around in your packs
Intelligence is what you lack
With your boots you try to show your might
So stupid can't see you're not right
If youve got a problem with what you see
Find somewhere else to inbreed so you'll be happy

I don't give a damn about what you do
So when your gone from here I wont bother with what
happened to you
You come around flaunting your views
Beating on those smaller than you
What do you have to prove
Attacking people, there's no excuse
Go around in your packs
Intelligence is what you lack
You're just a Fascist Fuckwad
