To each their own but you should listen to me  
Sometimes youÄ've got to fight to be free  
But IÄ'll stifle the hope and IÄ'll fight the sorrow  
Always seeking unity for a better tomorrow  
ItÄ's so easy to give up on all of your dreams  
To become distracted by all the little things  
Before you know it, youÄ've gotten quite old  
ItÄ's time to hope that youÄ've got a soul  
And if you do you hope that they will see  
Not to judge you by all your apathy  
Another human afraid to live  
Quick to take, reluctant to give  
Teaching your hate 'cause loveÄ's harder to give

ItÄ's all about me and IÄ'll kill you to live  
I keep on fighting these habits of clay  
It just gets more painful every day  
Feel like youÄ're sinking into a tar pit  
YouÄ're an infant, reclaim your tit  
Apathetic I want more of the same  
Getting good at playing this bullshit game  
I DonÄ't want to die, it scares me a lot  
If god is a lie, am I going to rot?  
Another human whoÄ's afraid to live  
Always quick to take, but reluctant to give  
Teaching your hate 'cause loveÄ's harder to give  
ItÄ's all about me and IÄ'll kill you to live
