Alright LA Sports Arena, are you ready to rock? Then
let's go!
Hello all you little fans. Hello all you little kids
Hello all you little dupes. My children
Hello all you little fans. Hello all you little consumers
Before you see the band there's something that
you must always remember to do
Check your wallet, check your funds, and make sure
you've got enough cash
'cause it's not about expression and it's not
about art
It's all about make those big dollars
Watching puppets...
Always remember to buy please (x3)
Remember to buy
Before you see the band there's something that
you must always remember to do
Check your wallet, check your funds, make sure
you've got enough cash
It's not about expression and it's not about art
It's all about making those big dollars
You don't care about what we say. You care less
about how we play
All you care about is how you feel
Another anthem for you when you murder and cheat,
lie and steal
Screaming 'cause we're fucking pissed
We've got a lot to say. Talking gets us nowhere
Gonna try another way and keep on fighting until you
hear what we say
Let's go to the mall so that we can shop at Hot
Topic
Practice our moshing and maybe some spinning kicks
It's written on a patch right next to the one that
says 'fuck the system'
Anarchy through hair dye, Punk rock's just a
fashion rebellion
You don't care about what we say. You care less
about how we play
All you care about is how you feel
Another anthem for you for when you murder and
cheat, lie and steal

Screaming 'cause we're fucking pissed. We've
got a lot to fucking say
Talking gets us nowhere
Gonna try another way and keep on fighting until you
hear what we say
We're the puppets, we're the puppets,
we're the puppets, Playing jumprope
We're the puppets, we're the puppets,
we're the puppets...Spraying water.
