

Bad Acid Trip "P.C."

Visit "[P.C.](#)" on MotoLyrics.com

There's too much judging
And I can't hang
But I 'm a hypocrite cuz I constantly complain
Political correctness makes me sick
They took a good idea and twisted it
Bandwagon prophets are what you see
Another fucking program for MTV
Political correctness makes me sick
They took a good idea and twisted it
There's too much judging
And I can't hang
But I 'm a hypocrite cuz I constantly complain

Political correctness makes me sick
They took a good idea and twisted it
They took a good idea and twisted it
There's too much judging
And I can't hang
But I 'm a hypocrite cuz I constantly complain
Political correctness makes me sick
They took a good idea and twisted it
Bandwagon prophets are what you see
Another fucking program for MTV
