Plate of Shrimp  
Happens all the time  
You just never realize  
Like Miller says,  
It's just a plate of shrimp  
Happens every day  
But it's never to be seen  
Part of the cosmic unconsciousness  
Do you know what I mean  
Fucking Plate of shrimp plate of fucking shrimp  
Happens every day

But it's never to be seen  
Part of the cosmic unconsciousness  
Do you know what I mean  
Fucking Plate of shrimp plate of fucking shrimp  
Does his best thinking on the bus  
Driving makes you dumber  
You know who to trust  
Fucking plate of shrimp  
Plate of fucking shrimp
