Two of us were all alone. Two of us complete  
unknowns.  
You weren't feeling well. I was tired.  
I've got two dollars in my hand.  
Tell me the name of your favorite band.  
Thought it was cute when you said mine wrong.

I think my pulse is fast.  
I think my eyes are glassed.  
You see it's been a while.  
I think my heart just moved.  
I'm at a loss for words.  
For sure it's been a while.

So much you could help me find.  
Tell me secrets I'll tell you mine.  
And we can go all out, or just stay in.  
Speak of work like I understand what it would take to  
change your plans  
And let me be your man.  
Be your man.

I think my pulse is fast.  
I think my eyes are glassed.  
You see it's been a while.  
I think my heart just moved.  
I'm at a loss for words.  
For sure it's been a while.

I think I'm kind of scared I could wake and find  
That all of it's a dream when it feels real.

Months gone by and I can see alone we're cool  
But the two of us make a better we, Bunny and Me.

I think my pulse is fast.  
I think my eyes are glassed.  
You see it's been a while.

I think my heart just moved. I'm at a loss for words.  
For sure it's been a while.  
You see it's been a while.

For sure it's been a while.
