We may recover
We may survive
We are escaping from this
We are alive
We traveled light years
We swam across
We started fires in this
We suffered loss

[Chorus:]
Tell me will we come undone
(Some of us is still alone)
Tell me what we will become
(Some of us, focused on)
Tell me will I ever see you again
(Does this all come down again)
Again
When

We never let go
We learn to feel
We waited lovesick for this
We made it real
We wrote the last words
We buried fear
We hung our heads low
We left it here

[Chorus]

Tell me what it's like to love someone
Tell me will I know it when it comes
Tell me will I ever see you again
See you again

[Chorus]

Tell me what it's like to love someone
Tell me will I know it when it comes
Tell me will I ever see you again
Again
When

Again
When
