I'm just trying to be free. you, you'll always be right  
here with me. 'cause i'm just trying to break these  
chains \_\_\_ you always remain the same. don't think  
twice about calling me up in the middle of the night.  
'cause i won't break what we make. \_\_\_ mean what i  
say. i'll always be falling with you. you'll always be the  
one i, i give my undying affection.  
i will always be free. if you ever feel the need to reach  
out and touch me, 'cause i will always be right at home.  
if i'm not, you can call me on my, my cellular phone.  
don't think twice about calling me up in the middle of  
the night. 'cause i won't break what we make. bonds of  
truth??? i mean what i say. i'll always be falling with  
you. you're always the one i, i give my undying  
affection
